

Strobe Lights

801 MINI I™ STROBE Low Profile - Single Flash Strobe

The model 801 family is a low profile, single flash strobe light featuring universal mounting, low profile 360° Lexan® lens, high efficiency regulated solid state power supply, and heavy duty xenon strobe lamp. All units are polarity protected and have built-in filters to protect against radio interference and spike voltages. The model 801 features a fully potted, Lexan®, multi-purpose mounting base which is vibration and water resistant. The 801 also features a field replaceable plug-in strobe lamp and a state of the art energy storage capacitor for increased intensity.

- universal mounting
- built-in RFI filters
- solid state power supply
- xenon strobe lamp
- five year warranty on power supply
- one year warranty on lamp
- available in six lens colors
- UL listed (where noted below)
